

HIRSBRUNNER

Effective January 1, 1977

GOOD NEWS.....! HIRSBRUNNER PRICES REDUCED.....!!!!

By special arrangements with the factory, and by utilizing newer and more modern methods, we have been able to reduce the prices on all models of the Hirsbrunner Tubas. We are still offering a choice of Silver Plating or Brass, polished and lacquered at the same price. Since the majority of our customers prefer to have the Silver Plating (at no extra charge), the majority of our Hirsbrunner Tubas are brought into the United States with Silver Plating.
